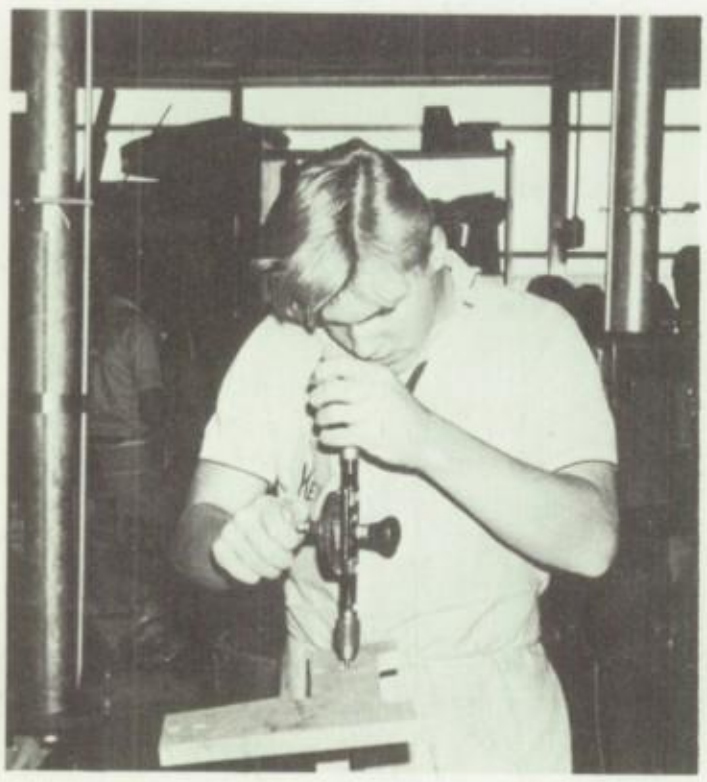
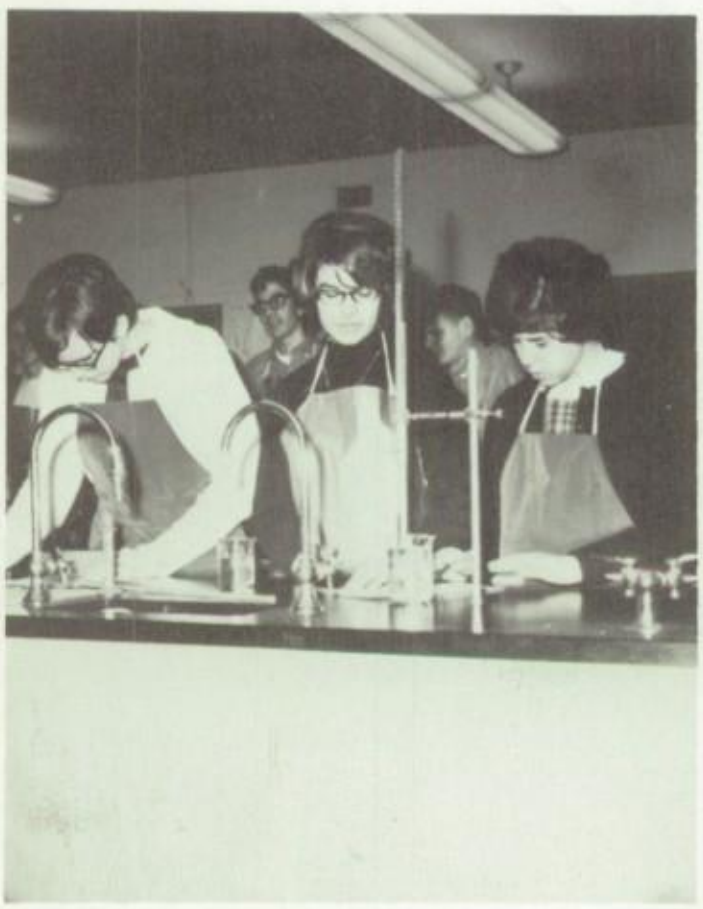
Growing In



"The wealth of mankind is the wisdom gained." Each day brings new opportunities, ideas, and experiences that add to our continuing enlightenment. In our complex, dynamic society, we find ourselves surrounded by this vast expanding body of knowledge, yet to grow in understanding and perception of the wealth of wisdom, we must make an effort to use these opportunities and experiences to the fullest. Only thru direct involvement will we gain in stature, truth, and knowledge.

To a sweet girl that dose a good job in englist and and many other things

Love John Ward



Pam nice knowing you as a Soph good luck Chuck

Knowledge

From freshmen English to advanced physics, each academic area has broadened our range of information and understanding. At the close of each day and at the end of every year, each of us has walked thru these doors, further enlightened, further prepared to meet the challenges of the ever advancing world and universe. Man has gone beyond his earthly boundaries in search of the unknown. May we be as zealous and dedicated in our efforts to make this world a better place for mankind.

Hi Pam
Just got to know you this year - but it was worth it! Good Luck + see ya in the Summer!
Vicki

Pam: You're a great kid. I'll have to see you this summer. Better take care of yourself & behave. Lots of Love, Luck & Sucess
Sandy Hi

DEDICATION

We, the senior class, dedicate this, the 1969 Chieftan, to the faculty of Kewaskum High School for their untiring efforts to aid us in overcoming the obstacles that stand in our way to become responsible citizens.

Each one of you have enriched us with your talents, ideas, and understanding. You have guided us to reach new heights and new goals. May this dedication serve as a token of our appreciation.

Pam,
Sure had fun in Phy Ed. your sweet stay that way

Love

Misty Moon Light Theme Moves Prom Goers

Queen Sudy and King Jerry

The 1968 Junior prom goers saw an empty gym transposed into a beautiful park setting. The theme was designed around an ingenious decorating idea of a sparkling silver crescent of a moon shining over a beautiful gazebo with a flowing river nearby.

The prom was climaxed by the crowning of the new King, Jerry Engeleiter, by last year's king, Tom Gumdrum. Jerry then in turn crowned Queen Sudy.

"This Is Our Year"

A dazzling victory coupled with a successful dance further accented the 1968 homecoming theme "This Is Our Year." The weekend festivities were initiated with a pep rally and bonfire on Friday, Oct. 4. Despite a determined effort by the underclassmen, the seniors retained first place in the cheering competition. Not to be outdone, the underclassmen led by the sophomores copped first place in the float competition, while the juniors received honorable mention. The sophomore float "Next Stop Victory" forecast the 19-0 shut-out over Germantown. For the dance, the gym was decorated with goal posts, spectator scenes, and each player's silhouette in the background. A huge helmet served as the coronation throne, while the center was accented by a large, decorative trophy. Marv Tanck, the 1967 homecoming king crowned this year's king, Bob Fellenz. This was followed by Bob's crowning of his queen, Emajean Coulter. The evening's dance was climaxed by the Grand March.

Came

"Camelot. . . and here am I give my all." With this spirit Kewaskum High School tried something different this year in its production of Camelot, the story of King Arthur and his Round Table. After five months of practice under the capable direction of Mr. & Mrs. C. Brehm, the curtain opened November 1st to one of Kewaskum's most successful musicals.

As the curtain opened, King Arthur (played by Leslie Kaschner) is portrayed as a nervous groom ". . . waiting for the bride. . . looking high and low for some place to hide," but the problem is resolved when the beautiful Guenevere (played by Barb Bade and Judi Jaycox) enters and it is love at first sight. As the play progresses we find that Arthur is not just an ordinary king, but that he is a king aware of his people's problems. Because of this he created the famous "Round Table" to protect and help the subjects of his kingdom. But the Round Table, which was created only for good, soon causes difficulties for Arthur. Because the table was special, it called for a special person, he was found in Lancelot (played by Pat Perkins). Lancelot seemed perfect, but he fell hopelessly in love with Guenevere and she with him.

lot

To further complicate matters, Mordred, (played by Lee Rammer) enters the picture. Mordred is determined to gain the throne and destroy the Round Table through any means.

Playing on the sentiments of Guenevere and Lancelot, he succeeds in catching them together and charges them with treason. In so doing he has put Arthur in a precarious position, for he must now choose between the Round Table and Guenevere. Since he is a king, his duty is to choose the Round Table and Guenevere is sentenced to burn at the stake. But the people wondered "...would the King (really) let her die?" It seems so, but at the last minute Lancelot saves Guenevere.

Of course war was declared. Mordred had succeeded in "cracking" the Round Table. But that was not the end of the story. For even though the Table was destroyed the memory of Camelot lived on as King Arthur knighted Tom (played by Jerry Butz), a young boy who had stowed away in a ship to join in the battle, as Sir Tom of Warwick and commanded him to tell the story of Camelot "... loud and clear."

What's next on the agenda?

Impressive Changing of the Guard

Juniors and Seniors experienced many unforgettable moments while viewing some of our country's most historic sights. Pictures cannot convey the sensation of awe which was gained by their presence. Five days were not adequate time to absorb the atmosphere of people and places. Rain could not dampen their spirits during the full days and nights of their excursions.

Music Fills the Air —

TA-ta-ta-TA Boom-Boom. For an hour each day, the 120 members of the KHS Band join notes under the able direction of Mr. Brehm to master all types and styles of music. As a Concert Band, it presents one or more concerts a year and participates in the Annual Music Festival where each member plays to the best of his ability. Then each member has a chance to display his individual talent with his instrument at the Solo and Ensemble Contest. As a Pep Band, the band uses not only their instruments but their voices as well to urge their team toward victory at sports events.

Chorus, New Director Climax

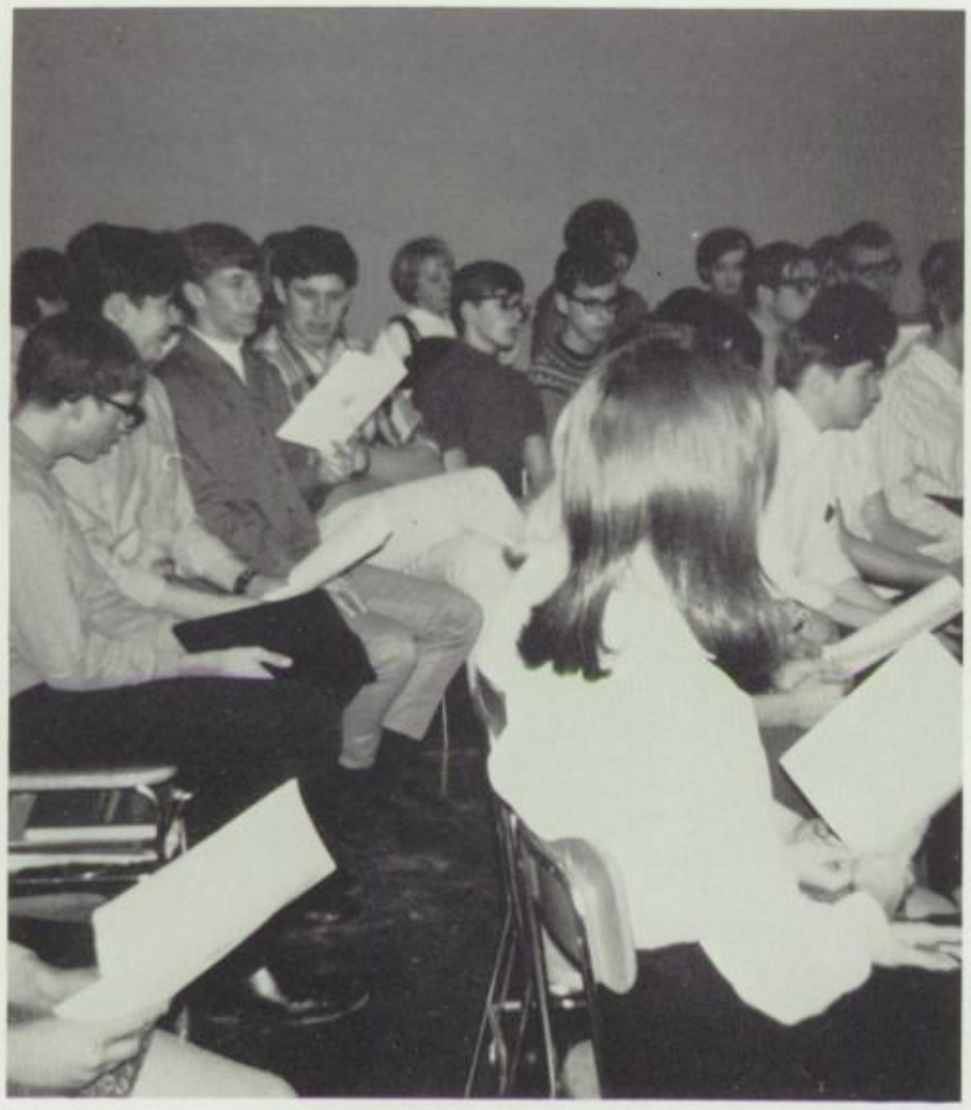
Girls strive for musical perfection.

Chorus this year broadened its horizons as it not only worked on classical music but also ballads and modern tunes.

Besides preparing for concerts it took part in Camelot under the direction of Mrs. C. Brehm, putting many hours of hard work into one of KHS's most successful musicals in years.

Because of Mrs. Brehm's unforseen illness the chorus was working under a handicap when it performed at the winter concert, yet dispite a number of problems the concert was a success.

During the second semester the chorus was under the direction of Mrs. Ash. During this part of the year it prepared for a Spring Concert and the Annual Band and Chorus Festival thus ending an active and rewarding year of choral work.



Music fills the air as choir joins in song.

Busy Year

Mrs. Ash directs chorus during daily rehearsal.

"FHA'ers Strive

Freshmen enjoyed the game which followed the meeting, even feeding each other jello.

"To promote a growing appreciation of the joys and satisfactions of homemaking, to promote international good will, to encourage democracy in home and community life," these are but three of the eight FHA purposes. The others, like these three, are conscientiously carried out by diligent members to improve themselves, their club, and their community. Each chapter and each individual strives toward these goals as a destination to be reached.

For those members who seem to have an endless supply of energy, there is the Degree Program offered members at both a state and local level. If sufficient work is done on each, a tiny key and scroll is awarded respectively for each degree earned. These degrees are judged at the local level. With a great deal more effort and work, a state degree can be achieved. This is judged at a state level and a torch is awarded at the State Convention held in

Initiation is a high point for freshman FHA members.

Mrs. Gulotta helps to make the initiation a success by serving food to hungry freshmen.

Toward New Horizons"

June at Green Lake.

The purposes, the creed, and the motto are the guidelines of the organization. It was these, plus the state and national projects that prompted many of the activities that FHA has sponsored this past year. These projects included: the Voting Campaign, the UNICEF collection, the Needy Family, and decoration of doors and bridges at Christmas time.

Other highlights of the year included the initiation held for the Freshmen, the Christmas party, and the final touch to the year, the Mother-Daughter banquet.

The officers this year were: President Patty Amerling, Vice-president Kathy Hansen, Secretary Diane Kirchner, Treasurer Karen Becker, Historian Alice Bruessel, Reporter Rosie Ramthun, Parliamentarian Mary Theisen, Point Chairman Linda Theisen, Song Leader Betty Kempt.

Debate '68-'69

Resolve: "The U. S. should have compulsary service for all." With this proposition the 1968-1969 debate season of KHS opened for another year of challenge and hopeful success.

This year's debate team consisted of Linda Theisen, Jerry Schoofs, and Odin Berg (Affirmatives), Ken Ogi, Sue Wichtoski, and Joan Schoofs (Negatives), and our new coach Mr. George Allmann.

In preparing for anticipated clashes the team attended a debate symposium at the University of Wisconsin at Milwaukee and put in many hours of individual research.

The team took part in several tournaments. These included debates at West Allis, Germantown, and Oconomowoc, and the District Tournament at Ashwabenon.

Besides actual tournaments, the team also gave demonstration debates for English classes and the Kewaskum Woman's Club.

Ken and Joan discuss negative strategy.

Since this was the first year that debate was officially recognized as a conference sport, the team put forth an extra effort. And it is felt that with the experience it has gained this year, it will be able to attain a conference trophy in the near future.

GAA Sparks Interest in Sports

Debby Bilgo tries out trampoline.

The Girl's Athletic Association concluded a very successful year during which intramural sports were predominant.

Sportsmanship, interest, and cooperation were learned during team competition in basketball, and volleyball. Other activities included roller-skating, swimming, hiking, and horseback riding.

After school GAA members had an opportunity to use the gym for gymnastic stunts on the trampoline, parallel bars, rings balance beam, and mini-tramp.

Culture Comes to KHS

That's mine!

The newest club at KHS is The Art Club. It was organized with the following purposes in mind;

To expose the students of KHS to the cultural aspects of art in the form of displays and exhibits;

To offer to the members the chance to hear speakers in the field of art;

To suggest ways that our building might use art in order to make it a more meaning and esthetic looking high school;

To offer their talents providing posters, signs, staging, etc;

To sponsor a Saturday field trip to the Chicago Art Institute;

To present an award to the outstanding art students in each grade level; and to award a summer art scholarship to "The Art Studio" at Wausau, to the outstanding "Artist of the Year."

It is hoped that with the start it has made, this club can become a very beneficial and understanding addition to KHS.

Total Learning

Jeff Schleif and Lee Theusch enjoy punch served by Alice Bruessel after induction ceremonies.

The National Honor Society looks upon education as a total product measured by the four dimensions of life. These four qualities looked for in a candidate are scholarship, leadership, character and service. Throughout history, man has given special honor to those who excel. Likewise, the NHS gives recognition to outstanding students who show excellence in school and community life. The objective of each chapter is to create an interest in scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students.

The challenge to all members is to set a good example as well as to stress quality in all school activities. The members did this by giving of their time and talents to make the tutorial program a success. They aided students desiring extra help to try to improve their scholastic record. They also sponsored dances and sold emblems to raise money for their scholarship fund.

New members celebrate their induction.

Congratulations!

Student Council Plans

Barb and Lee demonstrate the Student Council Shuffle.

In continuing service to the students of KHS and in consideration of the students of the future, the Student council in co-operation with the local Kiwanis decided to donate $1, 000 towards the swimming planned for KHS.

Sakie Hawkins was, as usual, the most festive and high spirited event of the year. A polka band added a new twist to the dance. Reigning over the ball were Kenny Krief and Bonnie Manthei. Selection of royalty was based on originality of costume.

To satisfy the students with a sweet tooth, a candy machine was placed in the cafeteria.

Once again the Council sponsored a Christmas Ball. Hi-lighting the evening was the crowning of Sophomore couple Pat Perkins and Donna Gruber by none other than Santa himself.

In order to better the Council, Anne Edwards and Chuck Theusch represented KHS at the Student Council Workshop at Stevens Point. There they exchanged new ideas and discussed problems.

Spanish Speakers Spark Spirit

Students show interest in Spanish culture.

As the year went along members of the Spanish Club "Los Bravos" found themselves more and more active.

The Club once again undertook the project of sponsoring a computer dance, this year inviting Random Lake and Slinger. A trip to Milwaukee to see the movie "Man of La Mancha" was also planned by the club. As always, old members delighted in executing the annual initiation of Freshman.

Sudy Reigle showed slides of Chile where she stayed as a summer foreign exchange student. This gave members an insight into the present-day life of a Spanish speaking country.

Ein Gutes Jahr Für Die "Lustigen Gesellen"

The German Club was organized during the second semester of the 1967-'69 school year. The club voted to call themselves, "Lustigen Gesellen".

Mr. Ritter is the new club advisor. Officers elected for the 1968-'69 school year were: Sandy Hamernick, President; Beth Buswell, Vice-president; Judi Campbell, Secretary; and Pat Perkins, Treasurer.

The club plans to go to a German restaurant in Milwaukee to further their knowledge of German culture. Several bake sales have been held to finance this expedition.

Manzar - from Madagascar?

"Walk together, talk together ye people of the world, and then and only then will you have peace." This AFS motto has guided our local chapter for the past eight years as each foreign exchange student completed their school year. Manzar S. A. was our 1968-69 foreign exchange student. During the year she spoke before a variety of community groups giving details about her country and differences she found in America.

To increase greater interest within the community the AFS Club conducted two events during the past year. The annual Chili Supper was held at which Manzar dressed in her native costume and presented a pictural review from her country. A AFS Weekend in which 17 foreign students from surrounding cities stayed with Kewaskum families was held in January. The pot luck supper and talent program were open to the public and were well attended. Through these two activities, many people became familiar with the AFS organization.

"Signals" Reflect Student Views

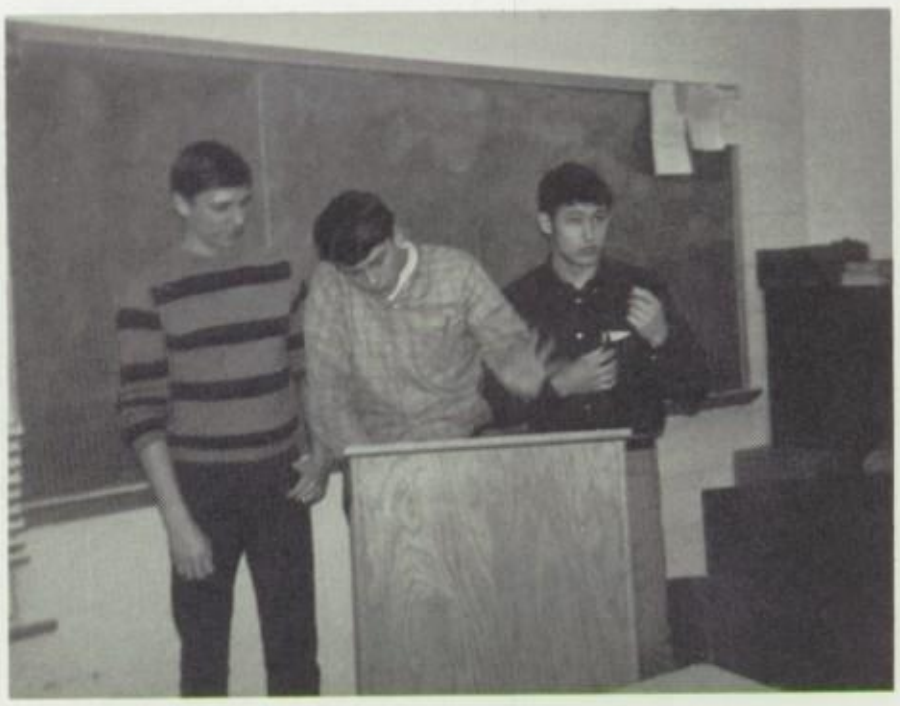
Despite a number of frustrating problems, the Smoke Signals Staff attempted to make the newspaper less of a history paper and more of a "Newspaper."

A number of important changes were made this year in the paper to mirror more of the students' ideas and views. Under the direction of Anne Edwards and a capable staff, the "Signals" appeared with more cartooned illustrations, the use of two colored print, and improved photography. The addition of "Did You Know" added a humorous vein to each publication.

The meeting of deadlines, "beats" to cover, headline writing and copy proofing caused a number of headaches to the novices who entered the field of Journalism for the first time.

Writing headlines proves to be a tedious task for Anne Edwards and Mr. Rosenthal.

"Just one suggestion!"



Forensics students develop poise.

Students Learn Thru Forensics

The purpose of forensics is to give students an opportunity to express themselves, and develop poise, confidence, and decorum before a group. Many hours were spent by students as they strove for perfection in the various categories.

Once again, assuming the role of chairman was Mr. Maurice Shea. The teachers cooperatively working in the forensic program this year were Mrs. Rose, Mr. Rosenthal, and Mr. Shea. The catagories involved in forensics include poetry reading, declaration, extemporaneous speaking, play acting, four-minute speech, original oratory, public address, and significant speeches.

FTA Offers Challenging Future

F. T. A. officers and advisor plan coming year.

The Future Teachers of America took part in many activities this year which demonstrated to its members the many varied and rewarding fields of teaching open to anyone interested in them.

FTA began the year by "teaching" KHS'ers school spirit as the club built its entry for the Homecoming parade "Gallop Poll Says Victory in '68.

And in obtaining a fuller understanding of what the teaching profession itself involves the Future Teachers had speakers from several different fields of education. The club also had discussions and a movie.

In December the members took part in the annual Christmas party where many new games as well as traditional ones were enjoyed by all.

But the highlight of the year was the day on which the FTA'ers could become a teacher for a day. The members had to prepare the lessons, perhaps do some outside reading on the subject they will teach and then face the class.

Science Club Stimulates Interest

The world of the unknown provided a stimulus for the Science Club. Through projects the club members sought to increase their understanding of the vast universe. The club sponsored dances to raise money for new equipment. The new equipment provided science students with different channels for study and learning. Field trips were also taken to broaden the members concepts of the mysteries of the sciences.

This year's officers were Kathryn Hansen, President; Karen Secor, Vice-President; Don Mitchell, Secretary; and Jeff Reigle, Treasurer.

Aids Struggle With "Dewey"

The training of Library Aides was the chief activity of the Library Club this year. The students in the Library Club use their free periods to work in the Library to learn how a library functions and to earn points. Each person is taught how to prepare books to be shelved, how to file cards in the card catelog, how to shelve books, file magazines and how to check books in and out of the library.

One of Judi's jobs is helping students to locate books.

As a social activity, the Library Club holds a Valentine's Day Tea for all faculty and school personnel. Refreshments are served and each member of the Library Club serves as a host or hostess.

While Lois aids them in checking them out.

"Self-Improvement" Goal of FBLA

The theme for the year for the Future Business Leaders of America is self-improvement for entering the business world. Each speaker emphasized a particular characteristic desirable in an office worker. A beautician, Miss Carol Ramthun, talked about skin and hair care; and a home economics teacher, Mrs. Jeanette Vetter, talked about the correct type of clothing for the individual person and how to choose the wardrobe.

Mr. O'Brian, Personnel Manager at Regal Ware, told us of the qualities that he looks for in a prospective employee.

Other projects included promotion of National FBLA Week and National Secretaries Week. We also work toward sending club members to enter contests at the state FBLA convention at Greenlake.

We Made It!

Eager and ambitious, the Chieftain staff set out in September to begin the task of creating a memorable yearbook. Being novices in the field, the staff members were faced with many challenges and obstacles. Yet determination and perseverance led to the completion of their task.

Long hours of headline writing, copy editing and layout drawing; the frustration of missed deadlines and unbelievable meetings chaperoned by Mr. Allman, the advisor, were all a part of creating a yearbook which would portray life at KHS.

What did you say was in that punch?

Now what do we do, Mr. Esser?

Harriers Cop

After placing sixth at the State Regional Meet, the Indian Harriers bounced back three days later to win the Scenic Moraine Conference Crown. Mr. Sleger successfully coached his team to one of its finest records in years: 35 wins, 9 loses, 1 tie.

For the second year in a row Ruben Oppermann was the squad's top runner. Other top runners were seniors Bob Wilson, Doug Rinzel, and Ron Backhaus. Outstanding underclassmen were John Backhaus, Gary Ramthum, and Steve Backhaus.

The JV's compiled a fine record of 14-3. With the hard work put forward this year and the experience gained we should have a strong team next year.

Indians Tackle

For the first time in many years, Coach Harlow's Griders were in every game they played and feared no one. The five losses were closely fought games and were lost on costly errors.

The season was highlighted by a 19-0 Homecoming Victory over Washington High. But the most gratifying victory had to be the defeat of third place Slinger.

Because it was a team consisting of as many Juniors as Seniors, the 1969 Football Season looks very promising. Next year's Seniors will be helped by a fine JV Squad who lost only one game all season.

Season Brightened by Indian Stars

The 1968 baseball season was a rebuilding one for the Indians. Only three veteran seniors returned from the 1967 team. But inspite of the lack of experience, Coach Bade's Batteler's came through with a tough 4-5 conference mark.

Lack of hitting consistancy and numerous errors failed to back up good pitching performances by Bob Fellenz and Jim Schuster. Stellar performances were turned in by Schuster and Fellenz. Schuster's potent bat kept the Indians in many games while Fellenz posted the best won-and-loss record (2-2) of all the Indian pitchers.

Along with Fellenz, George Martin was elected to the Scenic Moraine All-Conference Team; Schuster received honorable mention honors. With all but five of the Indian Lettermen returning for the next season, 1969 should be a brighter year for the Kewaskum nine.

L.C. Has a "Sweet" Year

Any person who wins a major letter in any of the school's sports is eligible to become a member of the Letterman's Club. This year as in the past, the club sponsored various money-raising activities such as car washes and candy sales in an effort to raise enough money to pay the balance on the movie projector they purchased for the school. The projector is being used by the football team to help the players improve their performance on the field.

The aims of the club are to promote good sportsmanship, and to help make all athletics at our school more beneficial and enjoyable.

The product must pass a critical test before the Lettermen sell it to the public.

Wrestlers Grapple

The '68-'69 wrestling season saw the Indians carry on a fine tradition; they have never had a losing season since wrestling was intruduced to the high school four years ago. At the beginning of the season, the outlook was not bright. Six varsity wrestlers, four of which had winning records in the '67-'68 campaign had graduated. With hard work and the fine coaching of Mr. Harlow, assisted by Mr. Johnson, the returning varsity wrestler, along with the underclassmen, chalked up a 5-2 conference record and a 6-4 overall dual match record. The team finished third in a field of eight teams at the Horicon Invitational. At the conference meet, the Indians placed 9 of 12 wrestlers.

Individually, six seniors finished with winning records: Tom Schmidt, 15-3; Ray Gruber, 6-1; Chuck Theusch, 7-5-1: Chuck Muckerheide, 12-6; Ken Ogi, 11-7-1; and John Reysen, 9-3-1.

Victories Push

Hit it Mark!

The 1968-69 basketball season marked the return of a familiar and welcome face to Kewaskum's varsity basketball squad. Coach Bade assumed the head coach position after several years absence.

Although the team didn't finish as high in the standings as was hoped, they did produce some very convincing ball games. The Indians finished with seven wins against seven losses, good for 4th place in the Kettle Moraine Conference.

The season included a thrashing of a powerful, previously unbeatin Lomira team, and a very exciting ten point defeat at the hands of top-ranked Slinger. The Indians also got through a couple games just by the skin of their teeth when they defeated Pewaukee and Germantown 54-53 and 69-68 respectively.

All season the team showed good strength, determination and potential, more than what the records show. For the greater part of the season the starting line-up consisted of Jim Foerster, Clark and Mark Eischstedt, and Randy and Perry Koth. Occasional starts were made by Steve Stern and Lee Rammer.

Leading Kewaskum scorers were Clark Eichstedt with 204 points and Jim Foerster with 167.

Cheers and Chants

Yell for the Indians

"READY! HIT IT!" Spirit and pep of KHS, encouraged by the Varsity and JV cheerleaders, was unmatched this year. Creativity in chants and cheers proved enlivening as students expressed pride in their teams. Win or lose, the pepsters constantly showed cheerleading proficiency that often awed their competitors. The refreshing exuberance of our little Indian mascot, Nancy Nigh, helped to generate spirit by yelling "Stand up!"

Under Mrs. Borgen's guidance, Captain Debby Rumsey and the Varsity squad used ideas from cheerleading camp in pom-pom routines and pepskits which were well organized and effective. Many hours were spent perfecting gymnast skills, such as back flips, walkovers, and mini-tramp stunts.

Varsity cheer.

Victory is near.

Yeaht team!

1969

With this supplement, we conclude the 1968-69 school year's events.

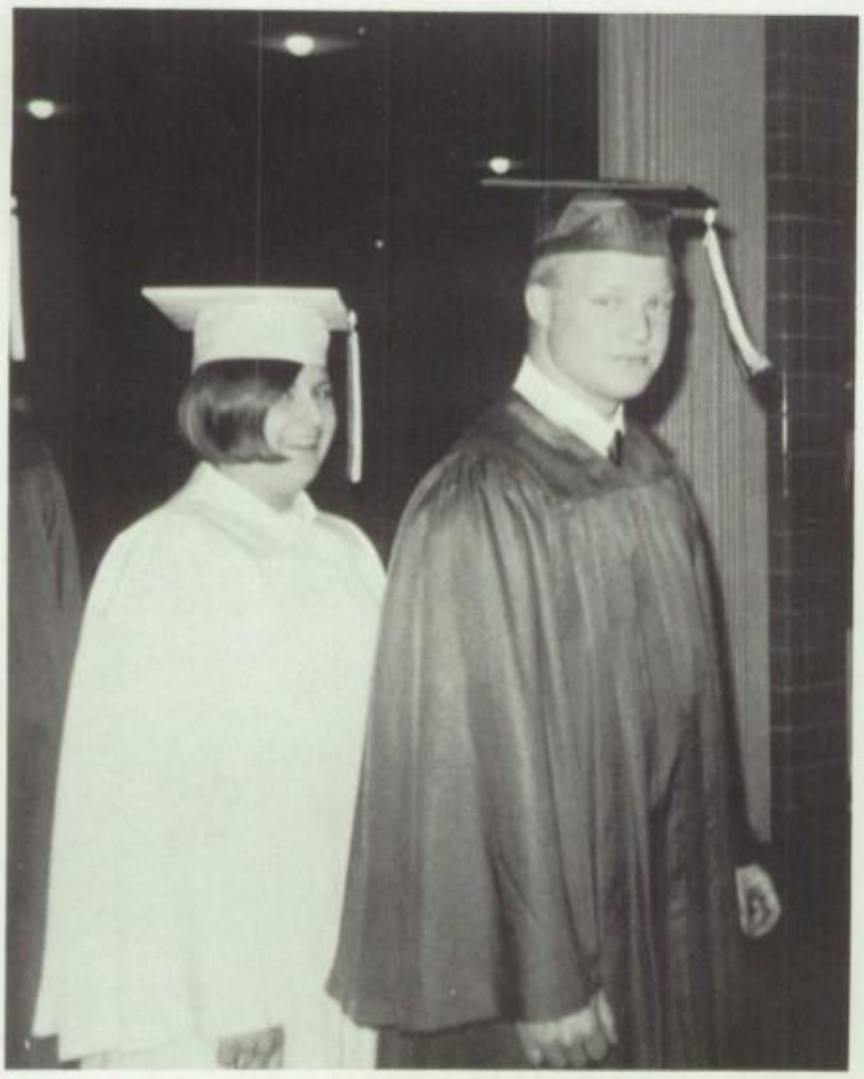
The memories of '69 will long linger in the minds of many but, this end merely marks the beginning of a vast future.

Let us, as we look ahead, strive for the ideals embodied in the senior class motto: "Our work is here; let's do it. If the world is wrong, let's right it. The future is vast, don't fear it. Today is ours; make the most of it."

Commencement 1969 — a Night to Remember

Hey, this isn't mine!

Dr. Jeckyl and Mr. Hyde.



Don't look so shocked.

Gee, and it's even signed!

Class Trip, Ban-Senior

Gee whiz, that building sure is tall!

Pals to the bitter end.

May 16th is a day many Seniors will long remember. Stifling yawns and blinking at flashbulbs, one hundred-thirty seniors and five advisors made their way to the four buses which awaited to wish them off to an exciting day in Chicago.

The first stop, O'Hare Field, gave the class its first inkling of the vastness of the city they were about to see. For some, it was the first time that they saw a jet or plane take-off every four minutes and the size of the terminal alone seemed to some, to be overwhelming.

Then, because a day is only so long, the class was off again, this time to the Brookfield Zoo. Here the class spent several enjoyable hours viewing the many exotic animals along with the old standbys.

Next on the schedule, was the Museum

Off to visit the relatives.

See the plane. See it go up, up, up.

quet Highlight Year

I can't bear to leave so soon.

That sounds rather unscientific Mr. Butz.

of Science and Industry. This was a place where everyone could find something of interest, either inside or outside.

The last stop was the Prudential Building, the second tallest building in Chicago, where an exciting view of the city and Lake Michigan was enjoyed by all.

At 10:00, a class of tired, foot-sore seniors were again back home---with many memories they will long remember.

On May 21st, the traditional Senior Class Banquet was held in the high school all-purpose room. Les Kashner served as Master of Ceremonies with various members of the class taking part in the reading of the class will, poem, and prophesy. The readings included numerous anecdotes from previous high school days.

A toast to '69.

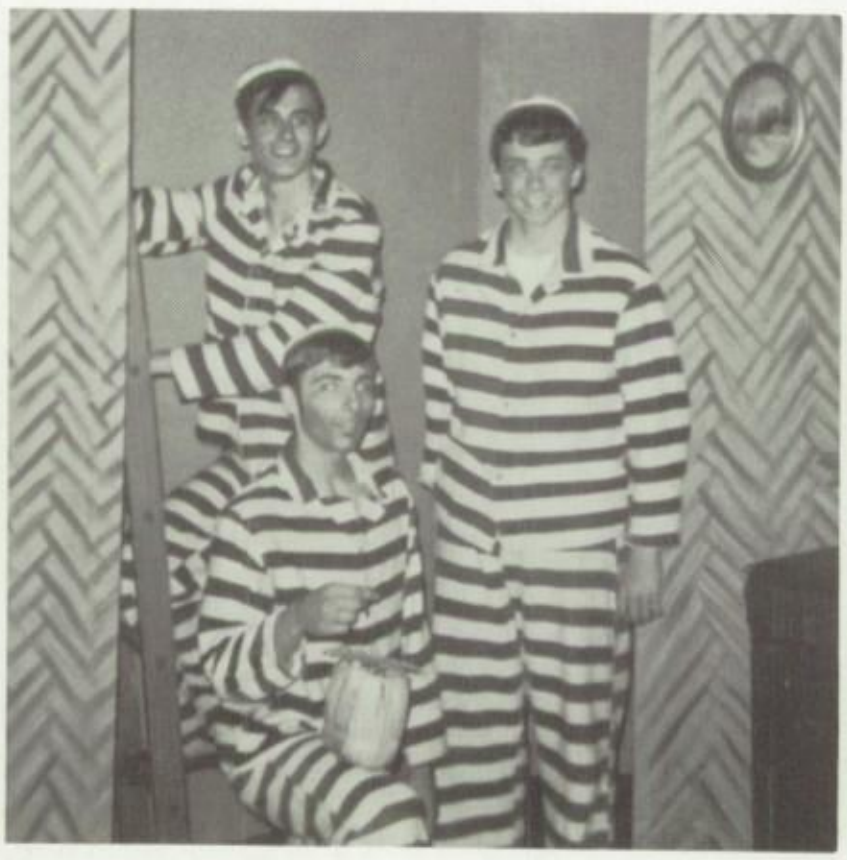
I'll buy you another one.

My Three Angels Scores Hit

Ahh, She's light as a feather.

"My Three Angels" was the play selected for the spring drama production. The three "angels" were Papa Jules, played by Les Kaschner; Uncle Joseph, played by Lee Theusch; and Alfred, played by Perry Koth. The unsuspecting hosts to the escapees, Felix and Emilie Ducotel, were played by Jeff Reigle and Judi Jaycox. Doug Senn appeared as Uncle Henri Trochard, and Jeff Schleif as the unmarried lieutenant, whose destiny was the answer to the convicts' prayers. Other cast members included Betty Butz as the credit-loving alcoholic madame, Parole; Kathy Dorn, portraying broken-hearted Marie Louise; and Pat Perkins as Paul, Marie Louise's heartless lover and one of the evils exterminated by Adolphe. Special thanks go to Mr. Brehm, for without his supreme efforts and superb direction, the play could not have been the success it was.

Will it last?



"My three angels"

Conferences Inspire Student Action

The Governor's Youth Conference, Badger Boys' and Badger Girls' State, and County Day afforded students at Kewaskum High School an opportunity to better acquaint themselves with various functions of state, county, and local governments.

The 12th State Youth Conference was held at Madison this year and gave the students an opportunity to listen to speakers who are as concerned with the problems young people face as the youths are themselves. Students gained great insight into and great help in coping with these problems.

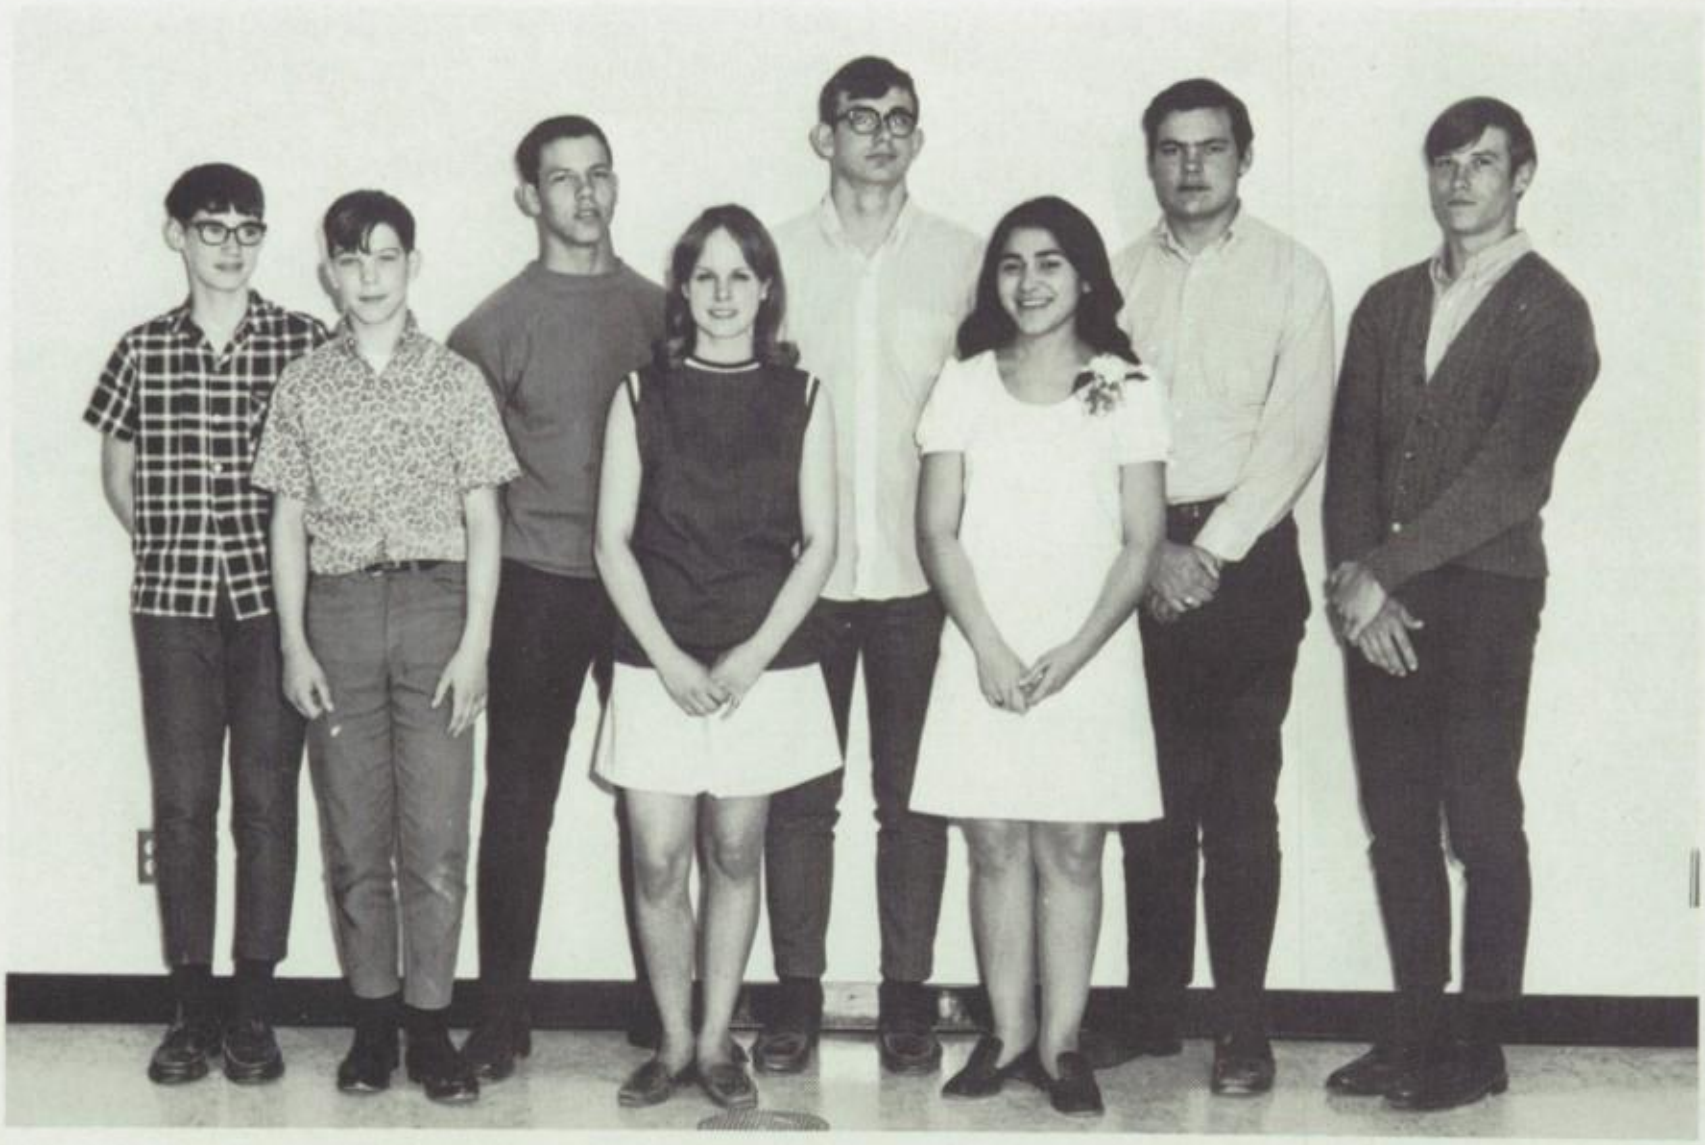
County Day also was of help to students who wanted to better understand the workings of local government offices. They took one day in which they studied the particular office they were interested in.

Badger Boys' and Badger Girls' State served as a climax to governing functions, by giving students a first-hand opportunity to practice local and state government in Wisconsin. Students gained knowledge while practicing given duties.

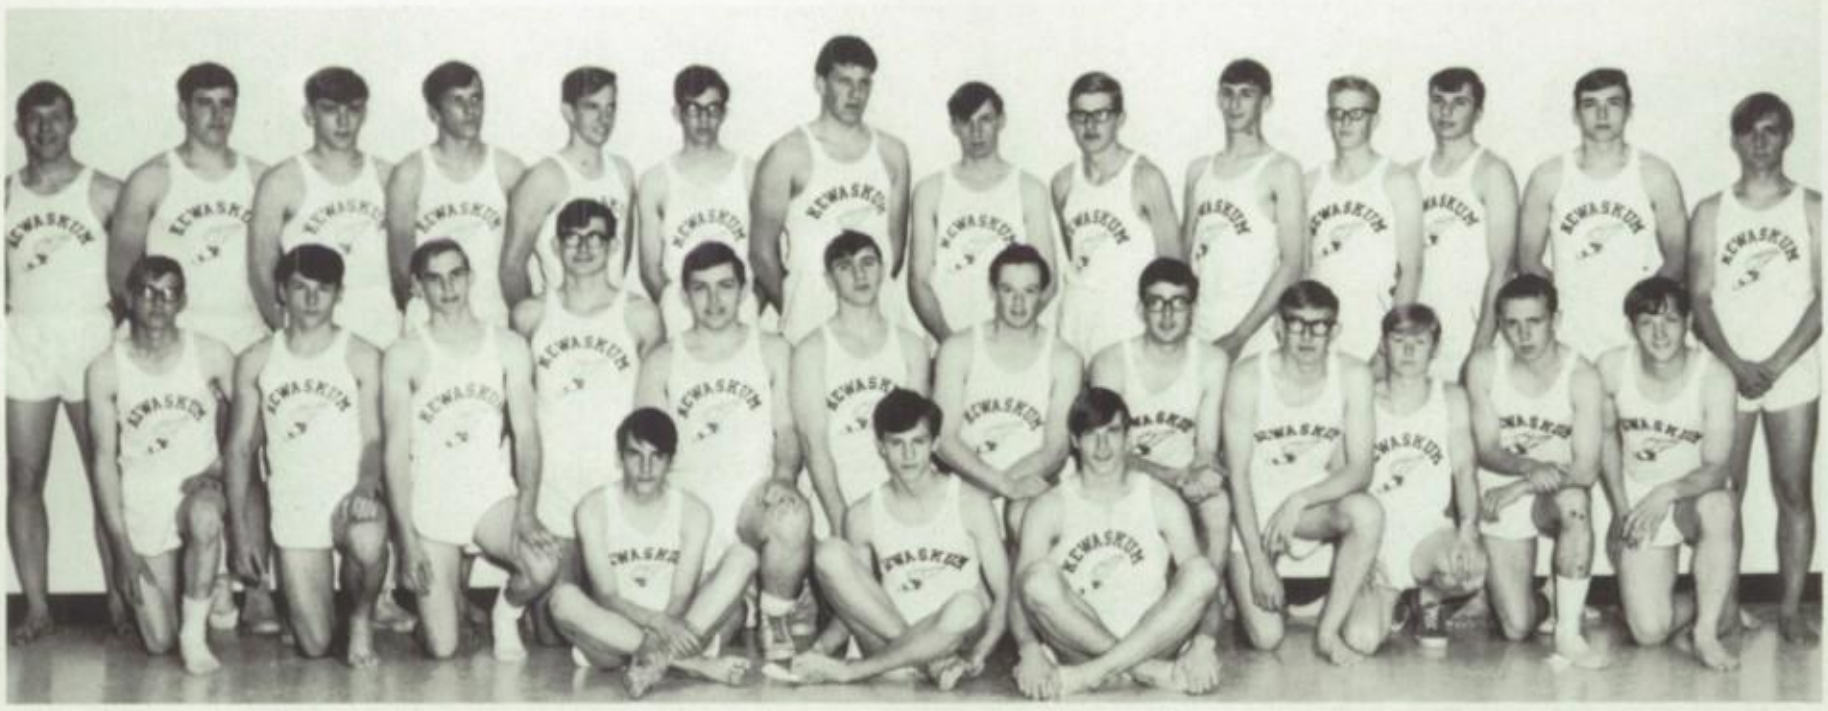
What we need today are responsible citizens. Those attending either the Governor's Youth Conference, Badger Boys' or Badger Girls' State, or County Day will be those citizens. It is designed to inspire the responsibilities of citizenship in each participant.

Badger State Delegates: Jim LaMarche, Anne Edwards, Jim Tessar, Barb Bade, and Lee Rammer.

Delegates to State Youth Conference: Pat Perkins, Chris Lehnerz, Peggy Kern, Anne Edwards, Mary Edwards, Pam Mitchell, and Dennis Smith.



County Day Representatives: Jim Kern, Terry Schaub, David Schacht, Carol Nigh, Lee Theusch, Manzar Sahebjam Atabaki, Bruce Roberts, and Mike Doherty.



Varsity Track; 1ST ROW: J. Backhaus, J. LaMarche, M. Doherty. 2ND ROW: L. Theusch, L. Bunkelman, L. Gundrum, J. Engeleiter, R. Wilson, R. Oppermann, D. Mitchell, F. Theusch, C. Muckerheide. 3RD ROW: J. Schleif, L. Laatch, S. Stern, M. Eichstedt, J. Forester, C. Battagalia, S. Schaefer, L. Zehren, N. Zettler, J. Zwick.

Track Teams

Go, Bob, Go!

Our track teams both scored impressive victories during the past season.

After only two weeks of practice, the girls track team copped the conference track meet at Slinger. After several tight races, our Kewaskum team was able to defeat the other conference opponents, despite the fact this was the first year of competition in track by the girls at KCHS.

The boys track team, led by Ken Ogi and

Junior Varsity; 1ST ROW: K. Kempfer, D. Ruplinger, D. Schacht, R. Halfman, J. Kern, P. Nigh, P. Pharr, F. Wilkens. 2ND ROW: B. Johann, L. Theusch, K. Rodenkirch, M. Ogi, P. Gruendeman, L. Bondlender, M. Zuehlke, J. Schoofs, J. Schmidt, S. Marquardt, G. Darmody.

Take 1st, 2nd

Rueben Opperman, set a commendable record. Under the direction of head coach, Neil Dennis-ton, the varsity squad placed second in the con-ference.

Ken Ogi and Rueben Opperman qualified for the WIAA State track meet by placing second in the mile and low hurdles in the Sectionals at Kohler. Both were eliminated in the semi-finals at Monona Grove.

"Now don't swing until I leave."

Championship Slips Through Golfers' Grasp

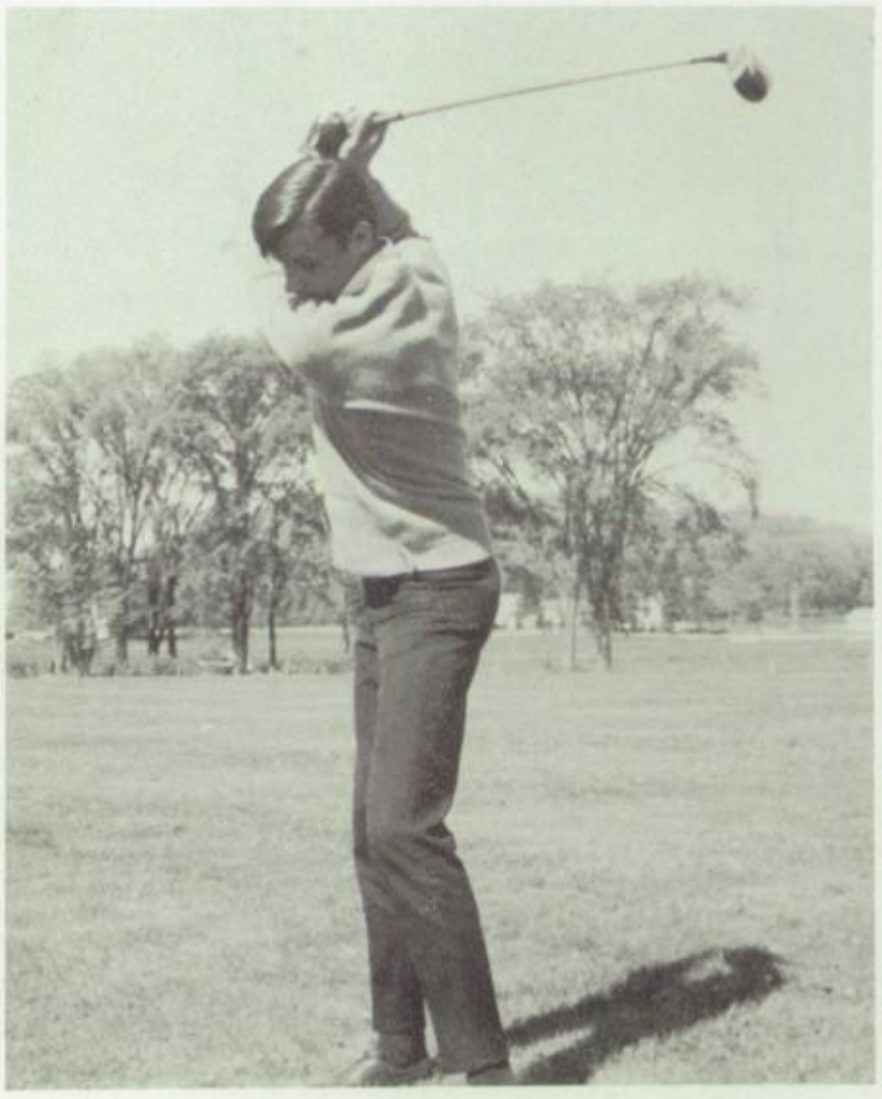
The Varsity and Junior Varsity Golf teams broke a number of records this year as they compiled commendable records of 8-1 & 5-1 respectively.

The Varsity squad, led by Clark Eichstedt, defeated Lomira, Campbellsport, Slinger, Germantown, Pewaukee, Horicon, and Random Lake while only losing one meet to Grafton.

Eichstedt sparked the team by setting a school record of 37 at Hon-E-Kor. The Varsity team also set a team record of 170 several times in duo-meets.

Despite a flourishing season the team placed 4th at the conference meet. Eichstedt scored a 78 for medalist honors.

The JV squad lost only one meet to Slinger while they compiled five victories for the season.



This isn't the only place he swings!!

IN CLOSING

Dear Students,

And so with this final page we bring to a close this the 1969 Chieftain. Many of you will find faults with what we have tried to do. Noone is perfect, but we as your editors and staff have tried to do our best. Throughout the past semester we as a group have grown in knowledge by striving to complete this memorable book.

It was our aim not to glorify a few, but to present a composite view of the life of all at KHS The long hours, frustrating deadlines, and unbelievable meetings will always be remembered by the staff members who contributed to this year's Chieftain. May you enjoy this book as much as we have in putting it together.

Pam
The Principal's
daughter. Not
Bad
for you

Dear Pam,

To one of my very favoritest, favoritest friends. Someone I really can confide in, and I know it'll stay private. This has really been a great year for me because I got to know you as well as I do now. It's really good for a person to have a friend who will share ideas, secrets, and problems with each other. And together with Linda and Beth, we really get to air them, right? Well, I think that sharing things like that is what makes a person a whole person, and I know that we will remain friends probably until we die. I really had a lot of fun with you, and although I may have ruined some good situations (ahem!) I hope this summer I can create a few, too! Well, what else can I say? See ya', friend!

Love,

Lee

Dear Pam, Gosh can you believe that another year is gone already? And so much has happened. I think I'll begin with this summer. Remember the picnic? That was when I told you everything about me — well you called it heroworship. Then there was the lake with swimming near drowning & saving Tom Kirsts brother Ed what a shock! when he came on the raft. Then Those Chicago Hoodlums "The ten Grease Gus" & their friendly switch blades". Also Gary, Jack & Danny — to think I wasted stamps on a bunch of illiterates. Oh well thats how it goes)

huh? Then the great sophomore year started, like the float, Rossiter, Harlow, & everything. Then we had the great Spectacular Camelot. Gosh we really had our differences and now when I think of it, it centered around a Kleenex Box, eye pencil & pancake makeup. I still say you turned green with envy! (when I made up.) But of course you got to powder-puff Jeff into a dead Knight Light? Study halls with Henkle were so queer with "in"; "out" doors, until everyone signed a petition to finally get rid of them. Remember Xmas shopping in Milwaukee? Boy Mary really had a "good time" huh? And then when Beth had her party & the guys were practically mauling us when we played "WINK"? I really doubt if I've had better times. Gee, we really took alot of (?) "scenic drives" around a few houses, in fact it always was like we would go past the same two! Later in the year "My Three Angels" took shape, & talking about shape, gosh you didn't turn in too good a shape after the party. I really never had so much fun in my whole life since I sat there watching you!! But compared to the Camelot cast party, I guess anyone would be better. See I really dont know what to do ... except going to an analyst. You know what I'm talking about. From now on never ask a person cleaning an outhouse where anyone is — no matter who's week-brooming it! We have really been great friends this year — I dont know what I could've done without you. Hey never be self-concious about yourself — you look fine. Look at me — one self concious person is enough!! Take care this summer & watch your morals. Even though you're a loud speaking person, the stuff that comes out is usually sweet. Stay as you are. Let our friendship blossom,

Linda

Pam,

We don't have many classes together this year. But that doesn't change our friendship to be. I'm not sure what it is. Well I'll have to get together the summer and I'll see you about this part. Phone me sometime. Love ya, Donna

Pam,

So think, last year I thought of you as the principal's daughter, and now... I guess it only goes to show don't pass judgment until you've heard all sides of the story. This past year wouldn't have been half as much fun if it weren't for you (we probably wouldn't have one first prize either, if it hadn't been for you) just think about all the weird stuff that we did: Prom night, the first night I got the car and we went to West Bend. I don't think I'll ever forget the fun that we had that night. You really are a good golfer. That first night the four of us went golfing - I would sure like to forget that! I was the worst golfer of all and I even had lessons. But then you came to the rescue and showed me what I did wrong. Thank you very much Miss Mitchell. Next year we are going to really be busy. I'll make you the head of lots of committees so we will too as just great at Homecoming and Prom. So one of my best friends and greatest friends, I wish all the luck, success and love in the world.

Love, Beth

Pam,

Boy, we really had a blast this year Huh? Remember how we wanted school to start so bad until about a month before school started. Ya that was when we called Maathe Kate and well you know. Boy we really must have been brave, come to think of it I was scared. After your parents got back we walked about 5 miles waiting for them to go past. Boy now one of them is in service and one a "photographer"! Then remember two weeks later! Boy was that dumb how we met. Remember you, Linda and I were waiting at church and all of a sudden I turned around and ——. Boy, than on top of it we went in church right away and started laughing. Well than came school ICK! and here we are. ICK!! Well hope to see alot of you this summer and have some classes with you next year

Luv,

June

Pam-
We sure had
great times together
this year. Hope to
have more classes
with you next year.
We'll probably see ya
this summer.

Pam,
It sure has been fun having you in biology. Your laughter really livened things up. I hope to have more classes with you next year.
Linda

Pam,
I guess I had the wrong idea about you. I really do think that you're pretty nice. Please don't mention my hair.
See ya
Dave

Pam,
We sure had a good time in band. Hope to see alot more
Summer. Luv. Ya
Cheryl

Hi Pam,
Sorry I don't have more classes with you, you're swell, naturally a part of it.
See ya around,
Darlene

Hi Pam.
Well, friends not too much to say but I wish you all the success & luck I can use;
Charlotte.

Pam,
Didn't see ya much except for 1pt in the chorus room which was fun + band of course.
See around this summer.
Lots of luck,
Laurie N

Pam,
Do sure have been burning rubber knowing you. Del never forges Judie Party after the play - will you.
Lots of luck
Mary E

Pam,
Well I didn't have you in any classes this year but we still had a little fun.
Call me this summer and we'll go golfing or something.
See ya
Cathy M.

Be a
cool Kid,
Stay that
way. Kathy Knoeck

Hi Pam.
You a groovy girl,
even in Biology.
Dave Dorn

Pam, Pam sent the whistle + luck

Didn't see you much this year. Only in band. Hope to see you more often next year. Keep the golf score low.

John Artie Buss

Pam, bad we didn't
have classes together
this year. We might have
more success next year.
Luck & Success.
Jean

Pam,
Even though
you may talk a
lot, I still like (double
like) you. Hope to see
you next year. Invite
me over during the summer
and next year.
Love, Nancy

To Pam
a cool girl I have
known
Mike E.

Pam,
Had fun in Spanish
didn't we, not forgetting
the Chicago art trip.
Have fun this summer
and see you next year
Debbie

9-1, Pam
We sure had fun Debbie
in band this year
Say, were the greatest (91)
Love, Bob

Pam & Mike
Have a great summer
Love ya
Mike

Pam,
Have a great summer
Love ya
Mike

Pam

Will we didn't have any English class this year so I don't know how you like it but running around with heels on your shoes is not fun. Although we don't have any classes together we had a lot of fun. Pam, Doug Elrod thinks you're cute, & read read read. I was fun. Although I had no classes with Mr. Principal he's a fun fellow.

Pam

English class was really fun — with both teachers. That is just as long as nobody jumped out of the window! Have fun this summer!

I love ya.

Sue

Pam

It was nice meeting you in Chemistry. We have all the same classes.
